DENVER AND RIO GRANDE DIVIDEND.-The DENVER AND RIO GRANDE DIVIDEND.—Inc.
Denver and Rio Grande Railway Company has
declared its regular semi-annual dividend of 2 per
cent on its preferred stock, payable July 17. The
Denver and Rio Grande surplus for the year, after
paying all expenses and charges of all kinds, is
\$1,115,482, estimating May and June very conservatively. The December, 1898, dividend called for
\$473,090, and there was appropriated out of the surplus earnings of the six months ended December 31 \$100,000 for locomotives, etc., leaving a balance of \$542,483 applicable to the dividend of 2 per cent on the preferred stock declared to-day. RUSSIA'S CROP LOSSES -A cable message from

Private cables cribed the Russian and Rumanian situation as se than the famine year of 1891. The news came every direction, Great Britain and the Continent, local leaders were prompt to act on it, and the ing to-day was of the best sort, led in by Linn, iffman, Patten, Comstock and by the profes-ials here and St. Louis. "The Price Current" mated the Government June percentages meant eld of only 485,000,000 bushels wheat, or 180,000,000 els less than the total crop last year. Philadelphia, May 20, 1899. THE HOLDERS OF THE SECURITIES OF THE KANSAS CITY, PITTSBURG & GULF RAILROAD COMPANY AND ITS TERMINAL COMPANIES.

Your Committee deem it essential for the preservation of the value of your securities:-First-That the securities covering the main line and the Kansas City and Port Arthur ter-minals be now merged and consolidated under one management.

Second-That such management be independent and in your interest alone.

Your property is of great value. It has an assured and a very large earning power. Its present financial condition is due to causes familiar to you, and which it would be difficult to

present financial condition is due to cluses familiar to you, and which it would be difficult to avoid, even if the work were now to be done over again.

In the consolidation of the system we expect to receive the support of the foreign holders of all of the securities affected. The foreign holdings are, we are informed, a majority of the whole. Pending the preparation of the plan of reorganization, we advise holders to refrain from depositing their securities with any Committee in this country. The experience of some of our feliow-bondholders has been that it is easier to deposit bonds than to get them back.

Your Committee ask the holders of the securities of the main line and terminal companies to furnish their addresses and the amounts of their respective holdings to the Chairman, care of Equitable Trust Company of Philadelphia. They will thereafter be directly and promptly informed when the plan is ready for publication, and will be made acquainted with its provisions.
